

Guest Speaker

On October 2, the Boyd County FBLA Chapter held their regular monthly meeting with a guest speaker, Sydney Chenault. Sydney talked about how to be your own entrepreneur. She talked about how she started the only bar in Spencer, and how much work it took in starting her own business. Sydney talked about her business plan and how hard it was to create it. She also talked about how scared she was to start her own business. But Sydney never gave up and she opened her own business after a few months. She wanted to give advice to the Boyd County Chapter and tell us that we can do whatever we put our minds to.
