

ACKNOWLEDGMENT
USE OF DISTRICT PROPERTY AND STUDENT VEHICLES

I acknowledge and understand that:

1. Student lockers, desks, and other property supplied by the school district are the property of the school district.
2. Student lockers, desks, and other district property remain under the control of the school system at all times.
3. I am responsible for the security of my locker and for keeping it locked at all times when it is not open for use. I understand that I am not to reveal my locker combination to anyone other than a school administrator.
4. The school district retains the right to inspect student lockers, desks, and other school property for any reason, at any time, without notice, without student consent, and without a search warrant.
5. Students are permitted to park their vehicles on school premises as a privilege, not a right.
6. The school district retains the authority to conduct routine patrols of student parking lots and areas off school premises where student vehicles are parked, and to inspect the exteriors of student vehicles on and off school property.
7. The school district may inspect the interior of a student's vehicle parked on school grounds or at a school event whenever a school official has reasonable suspicion to believe that such a search will disclose evidence that school rules or the law have been or are being violated.
8. Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant.
9. If I fail to provide access to the interior of my car upon request by a school official, I will be subject to school disciplinary action.
