Final Media Project - Sienna Merrills

At the beginning of this quarter, Mrs. Kluckman asked the BC Media Team to work on a time lapse of intricate coloring pages. They were asked to color images of animals and take videos or photos of them, as they colored small sections at a time. After they finish the long coloring and recording process they will be individually editing each photo together making a time lapse of each coloring page that shows the coloring process as well as adding an intro and ending to each video. Here are a few examples of the pages that we have started coloring and a finished image as well. The finished time lapses should be posted on the school website after they are all completed.

BC Powerlifting Wrap-Up - Sienna Merrills

The 2021-2022 BC Powerlifting season was a great success. Most importantly, they were able to return to a full schedule of meets. We had 13 lifters this year, with 12 of them competing in meets. All lifters placed at meets and several new school records were set. Amelia Hakl set a new AAU State record as well. We will miss seniors Alec Disterhaupt and Camden Brewer, but we're looking forward to growing the team in the next year.
