## BC Marching Band Day

Since all the parades were canceled because of Covid, the band could not march through the summer. This was a good way for the kids to be able to march and the community could get a chance to see the band. The band first marched in Verdigre. They performed in the driveway of the nursing home for some of the residents. Next the band marched down main street of Lynch. Then they went to Spencer, Butte and Naper. The songs they played when they marched were Power Station, On Broadway, and Hot Shot. People in the communities were excited and very supportive and came to watch. -Elizabeth
